

Good Afternoon Mr. Lieurance,

The following is Maverick County's response to the Policy Monitoring Follow-Up Review.

Magistrate Warnings – The County will contact the local Sheriff's Department to make sure procedures are put into place so that an arrestee will have assistance filling out necessary forms and promptly transferred to the appointing authority.

Timely Appointment of Counsel – The County will make sure to get the Judge's signature the day the request is brought into the office and turned into the Clerk's office for filing and to notify the Court Appointed Attorney.

Waivers of Counsel – The County will apply the correct language to Waivers of Counsel to match Article 1.051(g).

If there is any information needed, please do not hesitate to contact me. Thank you.

Respectfully,

Linda Schmerber
